## Community Update

Spilsby Town Council had updated their CCTV system in Spilsby, and this has aided us to identify youths that have been causing ASB in the Spilsby, with the help of the CCTV system we have issued further 6 ASB notices to local youths in December.

We have also held two community engagements in the areas of Sibsey and Spilsby, where we were able to speak to members of the public regarding their concerns.

Lincs police have now purchased noise measuring equipment that will be used to measure the loudness of cars committing ASB with excessive exhaust noise. Officers are currently being trained and the equipment will be out on the streets very soon.
